

Dave is our chairperson and chief fire-lighter.

Don't go near the woodburner in the Big Shed without a signed form from him if you know what's good for you.

Aside from trying to keep order at meetings and keeping us warm, Dave is a master grower and his plot is a work of art and was instrumental in our allotments winning the Association of Liverpool Allotments (ALA) Best Site award in 2025.

Dave uses his DIY skills around the site and thanks to him the Big Shed is water-tight and safe to use (for a while at least!)
